Birch Bay Village Bulletin

Steve Brand and Kenny Schroeder put together a fun miniature course for the Golf Fund Raiser that challenged the best of ’em, including Deon and Judie Wiechmann.

A fun time was had by all from the youngest golfer to the oldest golfer.

Not even a steady rain on Saturday or soggy conditions on Sunday kept people away from the 2011 Golf Fund Raiser on July 16 & 17. Around 75 Villagers and guests enjoyed two days of challenging golf, tested the fun post-tournament games, bought “tons” of raffle item tickets, bid on amazing auction items, and enjoyed a relaxing and fun awards dinner.

CHILDREN’S GARDEN

Birch Bay Village Children’s Garden
Summer 2011
Call Katy Hicks for more information. 360-201-7355.

• Children can learn about growing vegetables and flowers. It’s not too late in the season to start!
• All children living in Birch Bay Village are welcome.
• The garden is located next to the swing-set at Kwann Lake Park, at the corner of Salish and Cowichan.
• Children can sign up for individual plots which they get to water and maintain. Signs will designate individual plots.
• Children can help water and maintain the group plot with Mrs. Hicks every Tuesday between 4:00pm and 6:00pm, or on other days as mutually agreed upon.
• This is NOT a regularly supervised activity. Children should be able to care for their own garden plot or be accompanied by an adult. You can always call me with any questions about your garden or if you need help. Thank you!
• Unfortunately, we cannot guarantee that vegetables and flowers will be safe from wild animals or mischief-makers but we’ll do our best. Signs will designate individual and group plots and we ask that all village members and guests not pick or dig without permission.
• A BIG THANKS to Lincoln Green Nursery for donating the vegetable and flower starts!

“Please respect our hard work – don’t pick or dig without permission!”

GOLF NEWS

Club Championship nears: August 12th to 14th

Each year, the BBV Golf Club Championship determines the Men’s, Ladies’ and Junior club championship titles (low gross score) and the low-net score Men’s and Ladies’ winners. Members play two 18-hole rounds - one each on any two of the three tournament days (Fri, August 12th; Sat, August 13th; Sun, August 14th). GHIN/Course handicaps will apply; Golf Club members without a handicap play with a “0” handicap. Tournament entry and dinner details are posted at the Golf Shop. The deadline to sign-up and pay (at the Golf Shop) is August 8th, Monday. Don’t miss the cut!

Junior Golf Camp: The 2011 BBV Junior Golf Camp is going strong. We have 21 students signed up and three instructors, Joe Holdridge, Spencer Holdridge, and Jim Toomey. There was a tremendous participation response in the final week leading up to the first session on July 8th and it is great to see all the adults following the progress of the youth. The BBV Board authorized our Junior Golf Camp to be opened to youth in the Birch Bay/Blaine area after accommodating all BBV-connected youth first. The Northern Light promoted this opportunity, resulting in more outside interest than could be accommodated this year. Sadly, nearly a dozen non-BBV-connected youth who were interested in participating had to be turned away. If authorized to accommodate outside youth again, and if instructors and budget are in place, two Junior Golf Camp sessions may be possible next year.

Friday Night Couples Golf: Don’t forget Friday Night Couples Golf. Tee off is at 4:30pm, just be there 30 minutes early. Singles are welcome, too. The 2nd Friday of the month is “Sip & Dip” night! Bring an appetizer to share and your beverage of choice!

Golfer Reminders

✦ Do not trespass on private property to retrieve a golf ball; ask for permission to enter
✦ Call the Golf Shop to guarantee a desired starting time (371-2026)
✦ When playing 18 holes, check in at the Golf Shop when making the turn and going to the 10th tee
✦ Sand tubes are now provided for day-use to fill fairway and tee box divots; please use them and when finished with your round, return and refill them for others to use. Thank you!

ART GROUP

The Art group meets every Tuesday from 12:30pm to 3:30pm at the Clubhouse. Come and bring a friend to check us out. Members, don’t forget your $15 annual dues are now due.

Ted Provencher has been a member of the Art group for many years. He builds birdhouses and paints them. He also cuts wood pieces and makes seasonal items, but is most popular for his drawings of birds. Drop in to see some of his work.

UPCOMING – The annual Yard Sale. Support your local BBV artist by dropping by and browsing through our treasures. See you at the yard sale, and better yet, see you on Tuesdays at the Clubhouse.

Any Information or questions, call Linda Lockie 371-8256
GOLF NEWS CONT’D

15th Annual BBV Golf Fund Raiser: It was another successful event!!! Extra kudos to Bill Begue, Event Coordinator, who oversaw everything, with special thanks to all who helped solicit hole sponsors, business contributions and individual auction, raffle items, and services. But, the biggest THANK YOU goes the generous residents and guests who played in the tournament, sponsored holes, bid on auction items, bought raffle tickets, played in the post-tournament games and attended the dinner. The tournament attracted around 60 golfers and about 75 people enjoyed the games, dinner, raffles and auction. We hope to see more of our community at next year’s Golf Fund Raiser. Proceeds raised support the Junior Golf Program (spearheaded this year by Joe Holdridge) and many other worthy opportunities to enhance the BBV Golf Course.

All 27 tees were covered by hole-sponsors again this year and many businesses and individuals contributed fantastic auction and raffle items (see listings below). Auctioneer Gary Hoffmann, ably assisted by Al Hawks, masterfully guided the gathering to a record final bid amount. Congratulations to the successful auction item bidders, winning raffle ticket holders and golf tournament victors. Be sure to congratulate and thank the following individuals and businesses who helped make this year’s Golf Fund Raiser a success:

Golf Tournament Winners:
Men’s Low Gross (Tie) - Bill Quick (67) Steve Brand (67)
Men’s Low Net - Doug Bailey (55)
Ladies’ Low Net - Dorene Pearson (54)
Ladies’ Low Gross - Anne Brown (76)

SECURITY COMMITTEE REPORT

Heads Up!

As many of you are aware, we suffered a string of car prowls and two home burglaries in the night-time hours between Monday the 11th of July and Tuesday the 12th of July.

The two home burglaries are particularly disturbing in that entry was made while the residents were inside the homes, sleeping.

From the types and numbers of crimes involved, two home burglaries and some seventeen car prowls over a widespread area of the Village, it would seem that more than one person was involved and that they most likely weren't young kids.

The Whatcom County Sheriff's Department has taken reports on at least some of the crimes and hopefully is making some effort to follow-up even though we have no suspects identified or persons of interest focused on at this time. In addition, our General Manager, Security personnel and Security Committee Members are very much involved in attempts to track down the responsible parties.

It is all too easy, in our small, gated community, to get complacent. Crime happens so infrequently that we begin to believe it just doesn't happen here. So we leave our cars unlocked, and may even leave windows and doors to our homes open or unlocked. Doing so just makes it all that much easier for someone with criminal intent to make entry.

I know our General Manager has emailed a description of the losses in this crime spree to many residents, but I will describe them here as well. The losses from the two homes entered included the following: two lady's purses (both containing a cell phone and cash) and two bicycles; the bicycles and one of the purses were recovered the next day with the cell phone and an undetermined amount of cash missing. Losses from the car prowls included: a carton of Marlboro cigarettes; six Blu-Ray disks and an I-Pad; six CDs and ten dollars in small bills; a butane lighter and a partial bag of "Jolly Rancher" candy; and a briefcase, later recovered missing a cell phone charger and a set of I-Phone ear-bud type earphones.

Our Security personnel are tasked with being continually alert to suspicious activity, and to patrol and watch diligently for any criminal activity. At the same time, we must remember that one Roving Patrol Officer covering several miles of our roads means that large areas are not being watched at any given time. It is up to all of us to lock our vehicles, secure our homes more effectively and be watchful for any suspicious or criminal activity.

Anything which creates more difficulty in making entry, along with anything that creates noise so that one can awaken and turn on lights while calling 911 and Security at our Gate may make the difference between suffering a loss or not.

Let's all make an effort to be watchful, secure our belongings, and report any suspicious activity. Thank you.

Wayne McFee, Security Committee Chair
